#### **Pre-Health Professions**

#### **Degree Type**

Certificate

### **Program Description**

The Certificate in Pre-Health Professions is designed to provide the foundation for transfer to a two or four-year program in a health care field. This program is designed to prepare students for admission to various health-related fields. In this program, biology, anatomy, and mathematics will provide students with a solid background toward their chosen health career program.

### **Career Opportunities**

Graduates of this program will be prepared for transfer to a two or four-year program of study in nursing or health science programs.

## **Program Objectives**

#### Upon completion of the program, the student will be able to:

- 1. Identify anatomical structures and explain physiological aspects and functions of the human body.
- 2. Demonstrate the use of scientific and mathematical reasoning in the critical analysis and evaluation of problems and in the development of research-based solutions.
- 3. Discuss the mental processes and behavior associated with human psychology.
- 4. Demonstrate mastery of vocabulary and appropriate terminology to effectively communicate information related to anatomy and physiology.

### Obtaining the Degree

#### To earn the Associate of Science degree, students must:

- · Matriculate into the program.
- Admission to the program is restricted to students who are fully prepared for the level of work required. Entering students will be tested for English, math, and reading deficiencies.
- Satisfactorily complete the certificate requirements, including General Education and Major Requirements.

## **General Education Requirements**

Course Code	Title	Credits
ENG 110	English Composition I**	3
PSY 100	General Psychology**	3
	Elective - Math (MAT 131 or higher)	3

# Major Requirements

Course Code	Title	Credits
	BIO 202 and BIO 212	4
	BIO 204 and BIO 214	4
	Elective - Science or Math (4 credits)	4
	Elective - Humanities or Social Science	3
	Elective - Open	3
	Total Credits	26-27

**Course Sequencing** 

## Fall 1

Course Code	Title	Credits
ENG 110	English Composition I**	3
PSY 100	General Psychology**	3
BIO 202	Human Anatomy and Physiology I	3
BIO 212	Human Anatomy and Physiology Lab I	1
	Elective - Math (MAT 131 or higher)	3

## Spring 1

Course Code	Title	Credits
BIO 204	Human Anatomy and Physiology II	3
BIO 214	Human Anatomy and Physiology Lab II	1
	Elective - Humanities or Social Science	3
	Elective - Science or Math (4 credits)	4
	Elective - Open	3
