

# ECE 250 : Children, Families, and Community

## *Spring*

This course explores parent/guardian involvement and the relationship between homes, schools, and communities. Content is organized around how the home, family, school, and community all influence the growth, development, and education of younger children. Students will learn how schools relate to parents and will acquire knowledge and skills to implement quality parent involvement programs. The course goal is to demonstrate the qualities of effective partnerships between schools, homes, and agencies.
