

MUS 200 : History of Rock n' Roll

Fall - Even Year

Popular American Music in the Twentieth Century reviews the basic elements of music, surveys the history of popular music in America from the invention of the phonograph (1877) to the present, and explores the use of music as a social, cultural, and political mirror and influence on the society we live in. Supplemental recordings, concerts, and other media are used as tools in the study of American music.
