

HST 201 : Histotechnology 201

This course builds on the concepts learned in HST 100 Histotechnology 100. The student will advance to more complex histologic techniques in the class room and in the histology laboratory. The theory of Histotechnology and Carson, Bancroft and the Armed Forces Institute of Pathology (AFIP) set the foundation for the established histologic techniques. The clinical practicum provides the student the opportunity to demonstrate basic and more complex technical skills and accountability through the application of these techniques and with interaction with the clinical faculty, pathologists, and other laboratory staff.
