

Internships

Internships are coordinated by the appropriate academic program coordinator. The purpose of internships is to integrate classroom study and practical work experience for academic credit. Students intern with a host organization for a required number of hours based on credit assignment. Internships enhance the partnership between the College and the community.

Please review the pages in this catalog regarding your program of study to verify if an internship is required. Because students are expected to be prepared to succeed in entry level projects, interns must have completed at least 2/3 of their program of study and earned at least a 2.00 grade point average. Some programs may have additional conditions of eligibility, so students are urged to consult with the appropriate internship advisor for further information.

Students must begin the internship process in the semester prior to the internship semester by contacting their academic advisor. Detailed information about the internship process is available on the College's website.
