Student Services

Admissions Office

As the first point of contact for new students, the Office of Admissions offers many services which assist students in becoming acclimated to college life. New student outreach programs are also conducted by this office.

Financial Aid Office

All matriculated (pursuing a degree, certificate, or diploma) students are encouraged to apply for financial aid by completing a Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. By completing this application, the student has applied for both state and federal programs that include State PHEAA Grants, Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, Federal Direct Stafford Loans and Federal Work-Study. Processing time for this form is generally one to two weeks. All students are encouraged to complete the FAFSA by April 1st to ensure full consideration and to complete all necessary financial aid steps prior to the upcoming year's tuition due date. Once FAFSA results are received by the Financial Aid Office, students are to check their College email and myPEAK > Financial Aid for notifications regarding award letters and/or missing information needed.

Students earn their aid by going to classes and doing the work. Grades/attendance are checked at mid-semester and aid adjustments are made accordingly for "never" attending. In addition, Financial Aid Satisfactory Progress requires students to maintain a 2.0 GPA, 67% successful completion of all attempted credits and program completion within a 150% timeframe. This progress is checked at the end of each semester. Students not making progress will be placed on financial aid "warning" status; however, remain aid eligible. Students not making progress during a subsequent semester will be placed on financial aid "suspension" status and are not aid eligible; however, they will have the opportunity to a one-time appeal process.

College scholarship opportunities are available to students who complete the FAFSA and meet individual scholarship criteria. Complete the Pennsylvania Highlands Scholarship Application and

essay by April 1st. Scholarship eligibility requirements are referenced in the College Catalog and Financial Aid page (www.pennhighlands.edu).

The Student Senate is the coordinating body for all student organizations and its membership is comprised of up to two representatives from each student group in addition to senator's at large (those not belonging to a particular organization). The President of the Student Senate is elected annually by a vote of the student population as a whole and serves as a Honorary College Trustee.

Arrangements for services at the sites and for online students may be made by calling the Student Success Center to schedule an appointment via video chat, email, telephone, or in person.

ACADEMIC ADVISING/TRANSFER INFORMATION

Student Success Center counselors/advisors assist new students in developing a schedule of classes for

your first semester at Penn Highlands. At the start of the first semester at Penn Highlands, you will be assigned to a faculty advisor who will then guide you through the advising and registration process during subsequent semesters. All Academic Advisors at Penn Highlands assist students in understanding course and degree requirements; discuss and clarify educational, career, and life goals; monitor student academic progress; reinforce student self-sufficiency; and direct students with educational or personal concerns to the appropriate college resources.

You are encouraged to get to know your advisor and closely monitor your progress toward your degree requirements by accessing your degree audit on myPEAK or tracking your progress on the advising worksheet for your program. It is your responsibility to make sure you are taking the courses needed to complete your program at Penn Highlands.

If you plan to transfer to a 4-year college/university after completing your degree at Penn Highlands, it is important to begin planning immediately with your faculty advisor or a Student Success Center advisor. Both can assist you in selecting appropriate transferable coursework.

CAREER PLANNING

The first step in the career exploration process is to understand yourself by identifying your interests, personality, skills, and values through career assessments. By completing an assessment in **Career Coach**, you can start to link your interests to possible careers that may be a good fit for you. The assessment is also helpful if you are a current Penn Highlands student and want to explore changing majors or other career fields. Our career counselors can help you gather information about career choices and devise a plan to prepare for your career.

The Career Closet is located on the College's Richland Campus and offers a year round supply of new and gently used interview attire. All Penn Highlands students are eligible to receive and keep any clothing chosen to attend job fairs or interviews, free of charge.

COUNSELING SERVICES

Short-term personal counseling is available to assist you with personal issues and concerns that may negatively affect your academic achievement. Some of the issues with which you may want the counselor's assistance are: stress, anxiety, study habits, family conflicts, coping with grief, and time management. Students may be referred to resources in the community if intensive or on-going support is needed. Appointments are encouraged; drop-ins are also welcome. Counseling services are confidential and can be conducted by phone or Skype for students attending classes at a Penn Highlands location.

MAKE-UP TESTING

Make-up tests are administered to students at the discretion of the instructor. Students must present a valid Pennsylvania Highlands' student ID at the time of testing. All College test proctors in the Student Success Center and at the other Penn Highlands locations strictly follows the test administration guidelines determined by the instructor. Make-up testing can be coordinated at all locations at the discretion of the instructor.

30-MINUTE MATTERS/STUDENT SUCCESS WORKSHOPS

The Student Success Center participates in the 30-Minute Matters series to help students excel inside and outside the classroom. Workshops are tailored to meet the specific needs of students. Watch for the schedule of topics offered each semester. Additional information may be provided in one-on-one sessions by a Student Success Center counselor.

Pennsylvania Highlands Community College is committed to upholding the standards set forth by Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 (ADA), and the ADA Amendments Act of 2008, which are designed to eliminate discrimination against individuals with disabilities. Pennsylvania Highlands is committed to making reasonable accommodations for students with disabilities.

Students with a disability wishing to request accommodations must meet either in person, via Skype or by telephone with the Counselor/ADA Specialist. Appropriate documentation from a licensed professional is required to certify that he or she has a disability and to determine reasonable accommodations. The student is encouraged to request accommodations immediately upon admission to the College, as some accommodations, require at least three weeks planning in advance of each semester. Once a student is determined eligible for accommodations and receives an official accommodations plan, the student must meet with each of his or her instructors to inform the instructor of the requested accommodations.

TUTORING

The College provides tutoring at all sites in English, reading, and math based upon tutor availability. Requests for tutoring in other subjects will be accepted; however, they are filled only when an appropriate tutor is available. Online tutoring is available through Smarthinking, which is accessed at the Library's webpage on the Student Resources tab.

If you need a tutor, please complete a Tutor Request Form, which is available on the Student Success Center tab of myPEAK. After your instructor has signed the request form, you must return the form to the Student Success Center along with a copy of your schedule.

If you would like to become a Penn Highlands tutor, you must have a cumulative GPA of at least 2.8, have earned an A or B in the course in which you wish to tutor, and have a recommendation from an instructor. The application to become a tutor is also found on the Success Center tab of myPEAK.

Student Transportation Policy

Pennsylvania Highlands Community College assigns the safety of our students, employees, and others as a high priority. The College does not permit employees to transport students in personal vehicles or to arrange or coordinate student carpooling. Students participating in off-campus events or activities must make independent arrangements for transportation. In certain instances, such as athletic events or academic field trips, the College may permit the transportation of students in College-owned or leased vehicles.

Security and Safety Services

The Clergy Act

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a Federal law that requires colleges to report criminal activity and statistics on their campuses to the federal and state governments. This information is reported annually by Pennsylvania Highlands Community College along with statistics documented by local law enforcement agencies.

Click here to view a summary of criminal activity reported during the past year at all Penn Highlands' facilities. A more detailed report may be found on the College's website at www.pennhighlands.edu.

Additional information regarding College Security and Safety may be obtained by contacting the Richland Campus Security Office at 814-262-6427.

Reporting Suspicious or Criminal Activity

Pennsylvania Highlands Community College strives to provide a safe environment for all students, employees, and visitors. Students are encouraged to report any activity that appears to be suspicious in nature to a staff member or Security at the Richland Campus. Security Officers are available to assist students with reporting crimes or suspicious activity to law enforcement authorities, as well with obtaining their assistance for emergency situations. Pennsylvania Highlands does not tolerate behavior, either threatened or overt, which is forbidden by law. Such acts, and the resulting disciplinary action, are outlined in the College's Student Code of Conduct.

Children on Campus

To protect the safety of young visitors and to avoid disruptive behavior, minor children accompanying students or visitors of Pennsylvania Highlands Community College must be under the constant supervision of a parent, guardian, or parent designee while on campus.

Children who are taking part in organized, scheduled activities, minors who have been admitted to Pennsylvania Highlands Community College, and

dual enrolled high school students, may be on campus without parent/guardian supervision. Minor children must meet the criteria above to be permitted in classrooms, laboratories, or other areas of instruction.

A child and his or her parent will be asked to leave if the child's presence is determined to be disruptive to the college environment. Finally, it is not appropriate to bring children to campus who are unable to attend school or daycare due to illness.

The College does not allow children to be left unattended on our property due to security and child welfare concerns. Parents who have problems with childcare should visit or contact the Student Success Center.

College Closing and Delay Procedure for Inclement Weather

Pennsylvania Highlands Community College is a commuter institution and recognizes the commitments that its employees and students make to attend work, classes, and events at the College's locations. In that regard, Penn Highlands will remain open and operational unless extreme weather conditions or other emergencies do not permit it to do so.

In consultation with key administrative staff, the responsibility for the decision to close the College rests with the College President. In the case of severe weather which limits the College from safely opening campus buildings, the College will close as a unit. In a localized emergency or weather condition, a campus or center may be closed individually at the direction of the Center Director in consultation with the College President.

It is not the College's intention to place any student or employee into a perilous situation. Therefore individuals must exercise discretion in determining what actions they wish to take in weather or other college-related emergency situations. Employees may use paid leave time to avoid unsafe travel and the College has asked our faculty to provide for a liberal leave policy for students who are unable to

travel due to inclement weather. The College does not strictly follow the delays and cancellations of local school districts.

This communication outlines the procedures that will be followed for inclement weather conditions and serves as an official notice for all members of the college community.

1. The College will make every effort to announce delays or cancellations at least two hours prior to the scheduled start of class.
2. Messages will appear on the College's website, Facebook, and Twitter and will be broadcasted on local radio and television stations as well as through the emergency text message notification system.
3. Only classes scheduled to begin at or after a delayed opening time will meet.

Drug-Free College Environment

The unlawful manufacture, distribution, dispensation, possession, or use of drugs and alcohol is prohibited at any College facility or activity under the authority of Pennsylvania Highlands. Any student violating the policy will be disciplined under relevant provisions of the Student Code of Conduct.

Pennsylvania Highlands Community College Policy for a Drug-Free Campus is as follows:

1. The consumption, possession, or sale of any alcoholic beverages and/or illegal drugs at any College facility is prohibited.
2. Appearing at a College facility or at an off-campus event under the influence of alcohol and/or illegal drugs is prohibited.
3. The consumption, possession, or sale of any alcoholic beverages and/or illegal drugs at College-sponsored or College recognized events is prohibited by the College.
4. The procedures for the enforcement of the Drug-Free Campus Policy are as follows: Any College employee who is responsible for monitoring behavior at both College and off-campus events will also be responsible for reporting policy violations to the Vice President for Academic Affairs and Student Services. Students or other individuals witnessing policy violations will report those violations to either

the College employee in charge of the event or to the Vice President for Academic Affairs and Student Services.

5. Students who violate the Drug-Free Campus Policies will be subject to the Student Code of Conduct sanctions.

More detailed information about College Policies regarding a Drug-Free College Environment can be found on the College's website.

Tobacco Regulations

The use of tobacco and all related products, including vaping and electronic cigarettes, is prohibited inside all College facilities. Designated smoking areas are located outside all College campus locations. At the Richland Campus the smoking area is located in parking lot D on the west side of the building. Tobacco and related products may only be used in the area by "smoking permitted" sign and inside personal vehicles. Violation of the tobacco policy may result in disciplinary action.

Emergency Situations

All emergency situations should be reported to the proper authorities by contacting 911 directly or through Pennsylvania Highlands Community College Security at the Richland facility. To contact Safety and Security in emergency situations, dial x5555 from any campus phone.

Lost and Found

Pennsylvania Highlands Community College is not responsible for lost or stolen articles. The Office of Security and Safety documents and holds found items for a period of 60 days. The staff in Blair, Ebensburg, Huntingdon, and Somerset will hold found items for the proper owner.

Student Health Services

Students who become ill or need emergency treatment will be directed to a local facility for care and treatment. The College assumes no responsibility for the medical treatment of students or for costs associated with services rendered or medical transportation.

Student Identification Cards

All students are required to obtain a student identification (ID) card prior to the beginning of their first semester of attendance. ID cards may be obtained from the Office of Security and Safety at the Richland Campus. ID cards for other facilities may be obtained from the respective staff for that location. Students must carry their IDs with them and are responsible for presenting them to any College employee upon request. ID cards are also required to access library services. There is a \$5 fee for replacement identification cards.

Student Parking

Students are authorized to park in designated areas only. At the Richland Campus students must park in lot D, located on the west side of the building or lot E which is located on the north side of the building. Parking in Visitor and Handicapped spaces is prohibited as is parking in the Employee Parking Lot at the Richland Campus. Fire department regulations prohibit parking in fire lanes.

The Office of Security and Safety at the Richland Campus, is authorized to enforce parking regulations and may issue tickets and fines for parking violations at the Richland Campus. Security may also have a vehicle towed at the owner's expense.

APPEAL

Requests for review of a parking ticket must be made in writing by email to the Director of Security and Safety (security@pennhighlands.edu). When a parking ticket is appealed, payment must be made at the time of appeal. The Vice President of Finance and Administration will review the ticket and will make a decision as to the outcome of the review. If a ticket is dismissed, a refund payment will be made through the Student Accounts Office to the person making the appeal.

Expenses incurred concerning the removal (tow) of a vehicle are the responsibility of the owner. Those costs are nonrefundable and the removal of the vehicle cannot be appealed.

TICKETS

All College parking tickets issued shall be paid at the Student Accounts Office, located at the Richland Campus, within fourteen (14) days of issue date. Tickets not paid within the fourteen (14) days, will increase by \$5, making the total due \$20. Failure to pay a fine or report to the Office of Security and Safety may result in a hold being placed on student transcripts.

Text Messaging System

PeakTXT is the College's text message notification system which is used to disseminate messages of an urgent nature including College facility closings and delays. Messages sent using this system appear on subscribers' cell phones and on the College's home page. All students are encouraged to enroll in this emergency alert program. Visit our website at

www.pennhighlands.edu/PeakTXT for additional information. The College also uses texting in non-emergency situations through One-Call_now. Students are automatically registered for this service and they can opt out at any time through myPEAK.

Student Code of Conduct

Pennsylvania Highlands Community College is committed to the advancement of learning and to the development of responsible individuals. Each student is considered to be a responsible person and is expected to uphold appropriate standards of behavior. The College expects proper student conduct on-campus and at off-campus functions sponsored by the College. Students who demonstrate an inability to conform to acceptable conduct may lose the right to enjoy the educational, social and recreational opportunities of the College.

Criminal violations which occur on campus or at College-sponsored events may be reported to the appropriate law enforcement agency. A student may be subject to the sanctions of the Student Code of Conduct in addition to being subject to action in criminal and/or civil court.

A student engaging in misconduct may be subject to disciplinary sanctions. The types of behavior subject to disciplinary action includes, but is not limited to:

1. Violation of published College policies, rules, or regulations.
2. Violation of federal, state, or local law on College premises or at College-sponsored or supervised activities.
3. Disruption or obstruction of teaching, administration, disciplinary proceedings, or other College activities, including its public service functions on or off campus.

Students who are sexually harassed are encouraged to discuss the matter with the Title IX Coordinator, the Safety and Security Office, or the Deputy Coordinators at the other education centers and should refer to the College's Title IX Policy located on the College's website.

Disciplinary Process REPORTING AN INCIDENT

The College, itself, and members of the College Community should report violations of College rules, regulations, or policies to the Office of Security and Safety at the time they are observed. Details of the

incident or complaint should be reported as outlined below on an Incident Report. The form requires the following information:

- Date, time and location of incident
- Nature of incident
- Individual(s) involved
- Witnesses
- Description of incident
- Immediate action taken
- Signature of person filing the report and the date

The College community encourages the reporting of sex discrimination and Student Code of Conduct violations. Sometimes, victims are hesitant to report to College officials because they fear that they themselves may be charged with policy violations, such as underage drinking at the time of the incident. It is in the best interest of this community that as many victims as possible choose to report to College officials. To encourage reporting, the College pursues a policy of offering victims of sex discrimination and sexual misconduct limited immunity from being charged with policy violations related to the particular incident. While violations to policy cannot be completely overlooked, the College will provide educational options rather than punishment, in such cases.

GOOD SAMARITAN

The welfare of students in our community is of paramount importance. At times, students on and off-campus may need assistance. The College encourages students to offer help and assistance to others in need. Sometimes, students are hesitant to offer assistance to others, for fear that they may get themselves in trouble (for example, a student who has been drinking underage might hesitate to help take a victim of sexual misconduct to the Office of Safety and Security). The College pursues a policy of limited immunity for students who offer help to others in need. While policy violations cannot be overlooked, the College will provide educational options, rather than punishment, to those who offer their assistance to others in need.

ADMINISTRATIVE CONFERENCE

The Vice President of Student Services will designate one or more College officers to conduct an

investigation of the alleged incident and to hold an administrative conference with each student involved. The administrative conference procedures are as follows:

- The student will be notified that his/her name is mentioned in an incident report.
- A summary of the specific violations will be presented to the student and the student will be given the opportunity to admit to or deny any alleged violations of College rules, regulations, or policies.
 - The conference may result in the charges being disposed of administratively by mutual consent of the parties involved. In these situations, the disposition shall be final and there will be no subsequent proceedings. It is expected that most issues will be resolved informally.
 - If the student admits to the violation, a sanction will be issued at this time.
 - If the student is believed to be responsible but does not accept responsibility, a Judicial Board Hearing will be scheduled.
- An administrative conference will be held and sanctions issued even if the student fails to attend after two notifications.

In situations where the allegations are significant in nature, at the discretion of the Vice President of Student Services, the case may be immediately moved to the pre-board review level to commence judicial board action.

INTERIM SUSPENSIONS

The Vice President of Student Services or designee may impose an interim suspension prior to a hearing before the Judicial Board. Interim suspension may be imposed only to ensure the safety and well-being of members of the College community or preservation of College property, to ensure the student's own physical or emotional safety and wellbeing, or if the student poses a definite threat of disruption of or interference with the normal operations of the College.

During the interim suspension, students will be denied access to the College, including classes and all other activities or privileges for which the student

might otherwise be eligible. In such cases, the necessary notice and hearing shall follow as soon as is practical.

PRE-BOARD REVIEW

The Vice President of Student Services will designate a hearing Officer to meet with both the accused and complainant students to explain the judicial process and the students' rights and responsibilities. The role of the pre-board review is not to determine accountability, but to assist the student in understanding the hearing process. A student is responsible for participating in the Judicial Board Hearing regardless of whether he or she elects to participate in the pre-board review. As part of the pre-board review, the following processes will occur:

- All charges shall be presented to the accused student in written form.
- A time shall be set for a hearing, not less than five or more than fifteen business days after notification of the parties involved. Both the complainant and the accused student will be notified of the date, time, and location of the judicial board hearing. Maximum time limits for scheduling of the hearing may be extended at the discretion of the Vice President of Student Services.
- The complainant and the accused student will have a maximum of two school days post the pre-board review to submit in writing the names of any witnesses. It is the participants' responsibility to notify approved witnesses of the date, time and location of the hearing.

JUDICIAL BOARD HEARING

A Judicial Board Hearing is an internal review of the alleged violation(s) of College rules and/or regulations. Its purpose is to determine if violations have occurred. Judicial Board Hearings are held and sanctions issued whether or not the accused and/or the complainant attend.

The Judicial Board will be appointed by the Vice President of Student Services and will consist of ten members: four faculty members, two administrative employees, and four students. One alternate member of each group shall also be appointed. To

conduct a hearing, three faculty members, one administrative employee, and two students must be present.

A designee of the Vice President of Student Services will serve as the Hearing Officer and will preside over the hearing. The Hearing Officer will also serve as a resource to the Judicial Board during the deliberation process. The Hearing Officer will review the case with the Judicial Board; will introduce witnesses; will direct the proceeding; will make certain that all relevant materials are reviewed and that non-relevant material is not introduced; and ensure that both the accused and the accuser will have ample opportunity to present the facts of the incident in their own words to the Judicial Board members.

The Judicial Board will assume responsibility for its procedural operation and will conduct hearings according to the following guidelines:

1. Hearings shall be conducted in private.
2. Both the Accused and Complainant will have freedom of harassment from each other and/or their supporters.
3. In cases of sexual assault or other violations of a highly sensitive nature, every effort will be taken to allow both the accused and the accuser the right to question without direct visual contact during the hearing. Freedom from having irrelevant sexual history discussed during the hearing will be granted to both the complainant and accused.
4. Admission of any person to the hearing shall be at the discretion of the chairperson of the Judicial Board.
5. The complainant and the accused have the right to be assisted by any advisor they choose, at their own expense. The advisor may be an attorney. The complainant and/or the accused student are responsible for presenting his or her own case, and therefore, advisors are not permitted to speak or to participate directly in the hearing.
6. The complainant, the accused, and the Judicial Board shall have the privilege of presenting witnesses, and shall have the opportunity to suggest questions for the cross examination.

7. Pertinent records, exhibits and written statements may be accepted as evidence for consideration by the Judicial Board at the discretion of the Hearing Officer.
8. There shall be a single verbatim record of the hearing, such as a tape recording. Only College judicial affairs staff may record judicial meetings or proceedings. No other recordings are permitted. The record shall be the property of the College.
9. Except in the case of a student charged with failing to obey the summons of the judicial body or College official, no student may be found to have violated the Student Code solely because the student failed to appear for the hearing. In all cases, the information in support of the charges shall be presented and considered at the hearing.
10. All procedural questions are subject to the discretion of the Hearing Officer.
11. After the hearing, the judicial board shall meet in closed session to determine by majority vote, whether the student has violated each section of the Student Code of Conduct that the student is charged with violating and will issue the appropriate sanction(s).
12. The Judicial Board's determination shall be made on the basis of whether it is more likely than not that the accused student violated the Student Code.
13. Judicial Board decisions shall be communicated in writing to the students within five (5) business days with a copy submitted to the Office of the Vice President of Student Services for his or her information.

Sanctions

The following sanctions may be imposed upon a student who is found to have violated the Student Code of Conduct. The Vice President of Student Services will designate one or more College officers to be responsible for determining and issuing appropriate sanctions resulting from both Administrative Conferences and Judicial Board hearings.

- Warning - A notice in writing to the student that the student is violating or has violated College regulations.
- Probation - A written reprimand for violation of specified regulations. Probation is for a

designated period of time and includes the probability of more severe sanctions if the student is found to be violating any College regulation during the probationary period.

- Loss of privileges - Denial of specified privileges for a designated period of time.
- Restitution - Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.
- Discretionary Sanctions - Examples include but are not limited to: Letter of Apology, Behavioral Contracts, Service to the College or Community, and Referrals for Alcohol and/or Drug Assessment and Education.
- Suspension - Separation of the student from the College for a specified period of time, after which the student may apply to return. Conditions of readmission may be specified.
- Dismissal - Permanent separation of the student from the College.

More than one of the sanctions listed above may be imposed for any single violation. Notices of disciplinary action shall be filed in the student's confidential disciplinary file in the Office of Vice President of Student Services. Upon graduation, such notices other than dismissal may be removed by application to the Vice President of Student Services.

The following sanctions may be imposed upon student groups or organizations:

- Those sanctions listed above in the Student Code.
- Deactivation-Loss of all privileges, including College recognition, for a specified period of time.

Appeals

Any decision reached by the Judicial Board or through Administrative Conference may be appealed in writing by the students in violation or complainants under the Grounds for Appeals outlined below. The appeal is to the Office of the Vice President of Student Services. Following a review of the appeal, the Vice President of Student Services may do the following: can accept the

decision as rendered; issue a modified decision, or refer the appeal to the Judicial Board. The decision of the Vice President of Student Services is final.

Under Appeals: A student dismissed from the College may in addition appeal to an Appellate Board appointed by the Vice President of Student Services.

GROUNDS FOR APPEAL

Except as required to explain the basis of new evidence, an appeal will be limited to the review of the verbatim record of the initial hearing and supporting documents for one or more of the following purposes:

1. To determine whether the original hearing was conducted in conformity with prescribed procedures of the Student Code.
2. To determine whether the decision reached regarding the student was based on sufficient information to establish that a violation of the Student Code occurred.
3. To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code which occurred.
4. To consider new information, sufficient to alter a decision, which was not brought out at the original hearing because the information was not known to the person appealing at the time of the original hearing.

Interpretation and Revision

Any question or interpretation regarding the Student Code of Conduct shall be referred to the Vice President of Student Services or his or her designee. The Student Code of Conduct shall be reviewed periodically as is practicable under the direction of the Vice President of Student Services.

Appeals

An appeal to review a decision of the Academic Integrity Review Team or Administrative Conference will be granted if one or more of the three situations below are met:

- That a procedural error occurred during the process (someone involved that should not have been, a timeline not met, substantiated bias).

Student(s) and/or faculty who wish to appeal a decision made by the Academic Integrity Review Team must submit a request for appeal letter to the Vice President for Academic Affairs within five business days of the decision of the Academic Integrity Review Team. This appeal letter must specify which circumstances listed above are the basis for the appeal. All appeals will be reviewed and ruled upon within five business days.

Student Grievance Process

Formal Process for Academic Matters

The student grievance process is available to students who have concerns regarding academic matters such as violations of College policy. If a student resolution cannot be achieved or differences have not been resolved through discussion with the faculty or staff and the student seeks additional mediation, the student may initiate a formal grievance process.

1. Students must submit a letter to the Deans of Faculty Office within 10 calendar days of the date in which the incident or the complaint occurred. In the case of a final grade discrepancy, the letter should be submitted within 15 calendar days of the release of grades. In the written complaint, the student should describe his or her concerns, the events that led to those concerns, and provide any supporting documentation.
2. The Dean may choose to meet with both the student and the faculty member involved in an attempt to resolve the issue. If the issue is not resolved, the Dean will convene the Academic Grievance Committee.
3. The Academic Grievance Committee will review the written grievance and all documentation. The Committee may or may not interview both the student and the faculty member. A member of the Committee will notify the student in writing of the Committee's decision within 5 working days.
4. If the student remains unsatisfied with the decision issued by the Academic Grievance Committee, the student may make a final appeal to the Vice President for Academic Affairs. This appeal must be in writing and submitted no later than 5 working days from the date of the decision issued by the Academic Grievance Committee. The appeal must specify in detail why the decision of the Academic Grievance Committee was unsatisfactory and must be supported with compelling justification, such as a procedural error (someone was involved who should not have been, a timeline was not met, or substantiated

bias) or evidence that was previously unknown or unavailable. Within 10 working days of receipt of the student appeal the Vice President for Academic Affairs will issue a decision regarding the appeal. This decision will either uphold the decision of the Student Academic Appeals Committee or will issue other remedies as the Vice President for Academic Affairs deems appropriate. The decision of the Vice President for Academic Affairs is final.

In the case where a complaint is levied against any member of the Academic Grievance Committee, the Vice President for Academic Affairs will appoint a substitute.

Formal Process for Non-Academic Matters

The student grievance process is available to students who have concerns regarding non-academic matters such as violations of College policy not related to Code of Conduct violations (transportation policy, admissions, facility use). If a resolution cannot be achieved or differences have not been resolved through discussion with the involved college representative and the student seeks additional mediation, the student may initiate a formal grievance process.

1. Students must submit their complaint in writing to the Director of Student Activities and Athletics within 10 calendar days of the date in which the incident or the complaint occurred. In the written complaint, the student will describe his or her concerns, the events that led to those concerns, and what the student seeks as a possible remedy.
2. Upon receipt of the grievance the Director of Student Activities and Athletics will forward the grievance to the appropriate Director or Dean who will speak with the student and any other persons believed to be a part of the grievance in an effort to establish the facts surrounding the grievance. Within five business days of receiving the grievance for review and following a thorough review of the grievance, the Director/Dean will provide the student with information regarding the results of the review

and inform the student of any action to be taken to remedy the situation and a timeframe in which this remedy will occur.

3. If no amicable solution can be reached by the Director/Dean and the student, the Director of Student Activities and Athletics will convene the Student Grievance Committee. The Student Grievance Committee will review the written grievance provided by the student, all documentation associated with the Director/Deans review of the grievance and any recommended remedies. Upon review of these documents, the Student Grievance Committee will render a written recommendation and will notify the student of this recommendation within 5 business days.

Appeals

An appeal to review a decision of the Student Grievance Committee will be granted if and only if one or more of the three situations below are met:

- That a procedural error occurred during the process (someone involved that should not have been, a timeline not met, substantiated bias)
- New evidence that was previously unknown or unavailable
- Remedies that impose undue hardship on the parties involved.

Students who wish to appeal a decision made by the Student Grievance Committee must submit a request for appeal letter to the Vice President of Student Services within five business days of the decision of the Student Grievance Committee. This appeal letter must specify which circumstances listed above are the basis for the appeal. All appeals will be reviewed and ruled upon within five business days.

Within 5 working days of receipt of the student appeal the Vice President of Student Services will issue a decision regarding the appeal. This decision will either uphold the decision of the Student Grievance Committee or will issue other remedies. This decision will be given in writing to the student, and the decision of the Vice President of Student Services is final.

Student Grievance Committee

The Student Grievance Committee will consist of three Director/Dean level administrators from within the Student Services Division. Any Director/Dean that is named in a grievance is not eligible to serve on the Student Grievance Committee for that particular grievance

Family Educational Rights and Privacy Act

Definitions

The Family Educational Rights and Privacy Act was designated to protect the privacy of educational records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with the Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Parental Access or Spousal Access to Student Records

Parents may have access to information pertaining to their son's or daughter's educational records and academic status without prior written consent of the student if the student is a dependent under the age of 18. If the student is 18 or older, then the College must receive prior written consent from the student in order to release such information to his or her parents and or spouse. This form is available from the Registrar's Office.

Ownership of Records

Official student records are established and maintained in a number of administrative offices for a variety of legitimate educational purposes. All records kept concerning students, including those records originating at other colleges or universities, those records required for admission or transfer credit evaluation or those documents supporting student course waivers, are the property of Pennsylvania Highlands Community College.

Records Policy

The Family Educational Rights and Privacy Act provides students with certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the College receives a request for access. Students should submit to the Registrar's Office written requests that identify the record(s) they wish to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. Proper identification must be presented by the student prior to the inspection of the records. The Registrar will remain present while the student reviews his or her education record. If the Registrar's Office does not maintain the records that are requested, the Registrar shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask the College to amend a record that they believe is inaccurate or misleading. They should write to the College official responsible for the record, clearly identify the part(s) of the record they want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to an appeal process regarding the request for amendment.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic, support staff position or Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to

fulfill his or her professional responsibilities. Another exception can occur in the event of a health and/or safety emergency. A log sheet, indicating the reason for inspection and signed by the official reviewing the file, must be kept in the student's file at all times.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Pennsylvania Highlands Community College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

Students are cautioned that withholding information can have adverse consequences when we are unable to verify attendance or degrees to agencies, insurance companies, or prospective employers. Former

students and alumni are not covered under the Family Educational Rights and Privacy Act of 1974. Therefore, the College is not obligated to honor requests for non-disclosure of public information from former students.

Information Technology Policies

Acceptable Use of Information Systems

Access to computer systems and networks owned or operated by Pennsylvania Highlands Community College imposes certain responsibilities and obligations and is granted subject to college policies, and local, state and federal laws. Acceptable use is always ethical, reflects academic honesty, and shows restraint in the consumption of shared resources. It demonstrates respect for intellectual property, ownership of data, system security mechanisms, and individuals' rights to privacy and freedom from intimidation, harassment, and unwarranted annoyance unless covered by legal statutes.

The Chief Information Officer is responsible for the enforcement of these guidelines. Any request for use of information systems other than those identified must receive prior written approval.

1. Users of IT resources must comply with all applicable legal requirements.
2. Users are responsible for any activity originating from their accounts. Users shall not share their accounts and passwords
3. Users shall not use IT resources to gain unauthorized access to anything.
4. Disruptive use of college IT resources is not permitted.
5. IT resources shall not be used for commercial purposes without prior approval.
6. Occasional personal use of IT resources by employees is permitted when it does not consume a significant amount of those

resources, is otherwise in compliance with this policy, and meets with the approval of the supervisor.

7. The College may monitor the activity, accounts, and devices of any users of IT resources.
8. Users must not augment the college network infrastructure without prior approval.
9. Users must not misuse computing and printing resources, for example, using school's bandwidth (WIFI and/or wired network) for excessive streaming, intentionally modifying College maintained hardware and/or software, or printing documents or web pages that are not solely for classroom and/or business purposes.
10. With the exception of those devices managed by IT, devices are not allowed to be connected directly to the internal corporate network.

Users who violate this policy may be subject to penalties and disciplinary action, including expulsion, dismissal, or revocation of user access. Any violations of the acceptable use of information systems must be reported to the Chief Information Officer.

The Chief Information Officer will investigate the allegations and may disallow network connections by certain computers (including departmental and personal connections); require adequate identification of computers and users on the network; undertake audits of software or information on shared systems where policy violations are possible; take steps to secure compromised computers that are connected to the network; or deny access to computers, the network, and institutional software and databases. The College reserves the right to copy and examine any files or information resident on College systems allegedly related to the unacceptable use. Users are expected to cooperate with the investigations either of technical problems or of possible unauthorized or irresponsible use as defined in these guidelines; failure to do so may be grounds for suspension, termination of employment, or termination of access privileges.

If the infringement is not settled through discussion, the matter involving students will be referred to the Vice President of Student Services; a matter involving faculty will be referred to the Vice President of Student Services, and a matter involving staff will be

referred to the immediate supervisor. Violators are subject to disciplinary action as prescribed by College policies. In addition, certain kinds of abuse may result in a civil or criminal action.
