

College Bookstore

The College Bookstore is located at our Richland Campus. Students may make purchases at the store or online at www.pennhighlands.bkstr.com. Students attending our various facilities may utilize the online version of our Bookstore. The Bookstore offers new, used, digital, and rent-a-text textbooks. In addition to textbooks, the Bookstore also sells a large variety of supplies, apparel, gift items, and software which may be purchased at an educational discount.

Check out rent-a-text.com for more information regarding the rental program. Book buy back occurs every day but the greatest values for your books are received during final exam weeks.

Bookstore hours vary. Call 814-262-7912 or 814-262-6453 for current operating hours and additional hours.
