

# Employer Networking Assistance

Students who utilize Career Services will have an added advantage in the job search process by adequately preparing and networking with employers through many different venues:

- College Central Network - Our online job posting board allows employers to post all degree and non-degree related job and internship openings regularly. Students may post resumes for employer review.
- Guide to Career Services - Includes career exploration, professional development, and employer networking information with job and internship assistance.
- Regional Job/Internship Fair Schedule - This listing of regional recruiting fairs is provided each fall and spring with transportation offered to select locations. Students may network with a wide range of employers at job fairs hosted by many other colleges and community organizations.
