

Reporting Suspicious or Criminal Activity

Pennsylvania Highlands Community College strives to provide a safe environment for all students, employees, and visitors. Students are encouraged to report any activity that appears to be suspicious in nature to a staff member or Security at the Richland Campus. Security Officers are available to assist students with reporting crimes or suspicious activity to law enforcement authorities, as well with obtaining their assistance for emergency situations. Pennsylvania Highlands does not tolerate behavior, either threatened or overt, which is forbidden by law. Such acts, and the resulting disciplinary action, are outlined in the College's Student Code of Conduct.
