

Tutoring

Students enrolled in credit courses are eligible to receive free tutoring. Peer and professional tutors provide in-person and virtual tutoring for English, math, and a variety of subjects when available. [Tutoring options](#) vary by location and are updated each semester.

Tutor.com is an online tutoring service for all Penn Highlands students that is available 24/7. It is accessible from every [Brightspace page](#) at the Tutoring Online tab or under the Resources tab.
